ABOUT INSTITUTION

Tirumala Engineering College was established in the year 2008, in Jonnalagadda (v) near Narasaraopet, Guntur District, under the Venkata Ramana Charitable Trust formed by the Directors of Tirumala Milk Products Pvt. Ltd. The institute is approved by AICTE, New Delhi, affiliated to JNTUK, Kakinada and recognized by Govt of Andhra Pradesh. In a short span of 10 years institute is established its mark in academic excellence and it is accredited by NBA & NAAC, imparting technical education in five disciplines of Engineering viz., CSE, ECE, EEE, Mechanical and Civil at UG Level.

ABOUT THE DEPARTMENT

Established in 2008, The Department of EEE offers Bachelor's Degree. The laboratories and research facilities in the department are well maintained and regularly updated. The department has well qualified faculty spanning all areas of electrical engineering like power systems, power electronics & drives, control systems and energy systems etc. EEE is equipped with qualified and experienced Lab technicians. The Department has very strong interaction with several reputed industries and R & D organizations. Department also installed 100kWp solar plant, solar water heaters and stand alone solar based street light systems.

ABOUT FDP PROGRAMME

The FDP Programme will discuss the recent developments made in the renewable sources, energy efficiency and conversion and how such topics can be integrated in the electrical engineering curriculum to enhance the knowledge of power engineers. Also focuses on renewable energy course requirements in different curricula while identifying new topics that must be integrated to fit the major developments in the energy sector.
