ABOUT THE INSTITUTION

Tirumala Engineering College a vibrant venture of Venkataramana Charitable Trust set up in 2008 by Thirumala Milk Products Pvt. Ltd., an entrepreneurial marvel. The Thirumala Milk Products Pvt. Ltd. is stewarded by five humble son of the soil moderately educated but fired by a spirit of enterprise. The dairy management had always been conscious that the tremendous breakthrough they had achieved was made possible by the co-operation of the humble dairy farmers who formed the backbone of their industry. This sense of gratitude is what inspired them to set an Engineering College in the vicinity of their origins with a view to promoting technical education for faster growth among their rural brethren.

Though a late entrant, the Institution has emerged into a front-runner in the field of technical education. The institute has become a preferred destination for merit students and career-conscious faculty. In a short span of 5 years, the institute has discovered itself into an engineering institute par-excellence.

The Management’s vision of transforming the college into a center of excellence has come true in its short existence of 5 years. The growing strength of the college, EAMCET students’ preference for this college, lucrative placements-all these go to vindicate the popular esteem it enjoys.

The college offers U.G program (four year B.Tech) of JNTU-K with six streams viz. ECE, CSE, EEE, MECHANICAL & CIVIL.
Learn from the mistakes of others. You can’t live enough to make them all yourselves!

5. Strategy
To translate the vision into action and accomplish the mission, TEC should strive to
a. Provide state-of-the-art infrastructure.
b. Recruit, develop and motivate high caliber diverse faculty.
c. Continuously review and innovate teaching methods and learning resources.
d. Focus on research, education, training and consultancy through an integrated industry- institute interaction.

6. Quality Policy
a. We, at Tirumala Engineering College, strongly believe that quality is the essence of life. Hence, TEC will constantly strive to improve the quality of education and training imparted to its students by establishing state-of-the-art laboratories and modernizing them continually, upgrading the knowledge and skills of its staff periodically and developing strong linkages with industry.

7. Organization Chart
The Organization Chart of Governing Body is structured as shown in the fig.1

People may hear your words, but they feel your attitude.
Change is the end result of all true learning.
Excellence is not a skill, it's an attitude.
The world is indeed a mixture of truth and make-believe. Discard the make-believe and take the truth.
The institution follows the JNTUK and AICTE guidelines in the selection of faculty members in order to ensure that qualified and competent persons are selected by a well defined procedure.

**Recruitment procedure of faculty:**

f) Monitor the semester progress regularly based on approved semester and a assessment plan.

---

*Don’t waste your time with explanations; people only hear what they want to hear.*
CHAPTER XII: LABORATORY

- The Laboratory In charge (Lab I/C) is responsible for the safety, upkeep of all the equipment in the room as listed in the inventory for the room.
- The Lab I/C should maintain the following documents
  1. The inventory of the laboratory
  2. Layout
  3. Room Time Table.
  4. Organization Chart
  5. Log Book for daily usage
  6. Complaint Register
  7. Lab Manuals
- List of Experiments
- The faculty member who deals with laboratory class must perform the experiments personally in advance and be satisfied with the results before asking the students to conduct the experiments.
- Faculty members are equally responsible for the allotted lab and they are supposed to explain the cycle of experiments before covering the lab.
- Faculty has to ask viva – voce about the experiment before allowing them to do the lab.
- Whenever possible, additional experiments to clarify or enlighten the students must be given.
- Faculty has to observe the student to submit the records of the previous lab experiment.
- The lab observations/records must be corrected then and there or at least by next class.

CHAPTER XIII: Duties and Responsibilities of Subject Teacher for Laboratory

- The subject teacher should be thorough with the experiments designed.
- The problems should be made known to the students well in advance for their preparation.
- Teacher should make sure that observation book is maintained by every student.
- At periodic intervals, teacher should ensure that the records are maintained neatly by all students. The experiments/programmes listed in the syllabus should mandatorily be described in the record books.

*The function of education is to teach one to think intensively and to think critically. Intelligence plus character - that is the goal of true education.*
CHAPTER XIV: TEST / EXAM

News Letter: We release the news letter once in an academic year on the college updates. And also there will be a yearly magazine from the Institute regarding the progress of the institution. We believe in Tech Festival (TEC Prayaga) which gives the participants the right platform to enhance their technical skills and innovations. The college also has a custom of celebrating the Annual Day with high enthusiasm every year.
CHAPTER XVIII: LIBRARY MAINTENANCE

1. Introduction

TEC Library was established in its inception year, 2008. It has built a large collection of documents, comprising of books, periodicals, journals CD’s etc. It also has a rich collection of resources in the form of printed notes. It caters to the needs of large groups of users, including more than 2000 students, 160 faculty, and equally large number of supporting staff. It has computerized its house-keeping activities using software that is being maintained and updated regularly. It uses state-of-the-art technology in its functioning and services. Not only having a very good reference section, library has been subscribed acces DELNET & NPTEL Videos. Document is a generic name, hereinafter, shall refer to any book, reference book, CD, video cassette, magnetic tape, periodical, journal or a paper introduction.

2. Working Hours

3. Eligibility: The following persons are eligible for making use of the Library:

   a) Members of the Staff of TEC
   b) Students of TEC
   c) Other persons admitted with the special permission of the Principal/ Chairman, Library Committee.

4. Book Issuing Norms

5. Issue Timings

Period of issue of documents is as follows:

   (a) Books for 15 days
   (b) Reference books, Periodicals including back volumes, video cassettes, software, magnetic tapes, etc (overnight only)

When we seek to discover the best in others, we somehow bring out the best in ourselves.
NOTE: A document issued on loan can be recalled at any time in case of urgency.

In case of loss of any document, double the cost of the document borrowed from the Library will be recovered or replacement of document with new document.

7. Acquisition of Documents:
Documents can be acquired into Central Library through:
(a) Readers can suggest additional documents required for the library through the suggestion book kept at the Library.
(b) An annual book exhibition is held in Library to enable readers to suggest the documents required by them.
(c) Library Committee
(d) Through recommendations of subject experts

8. Book Issue/ Return Procedure
For issue of book, the users are given an issue slip consisting of details which contains Book Account No, Title, Author, Issue date and signature with name of the user. After filling the issue slip, the user has to hand over the slip to the library staff that in turn, will check the entries and verify with book to be issued. The staff will then put the due date stamp on the due date slip of the book and the same date is stamped on the issue slip given by the user. The issue slip is then kept in increasing order of registration number in their respective department branch-wise. On returning the book, the issue slip is located and returned to the user. The colour of the issue slip is periodically changed between staff and students if necessary. The issue and return can be done by using barcode sensors also.

9. Xeroxing
Xeroxing facilities are available at the Library, from 9:00 A.M to 4:30 P.M (on all working days) on nominal payment basis.

- When you talk, you are only repeating what you already know; but when you listen, you may learn something new.
10. Library Committee

The library Committee is appointed by the Principal for efficient administration of the library. The committee comprises of Principal as Chairman, librarian as convenor and a senior faculty nominated by the Principal and members nominated from all Departments. Other members of the Committee include students from various branches. The Committee’s functions are:

(a) To review and advise the library administration on policies related to collection development, collection evaluation, and bibliographic activities, especially in the Humanities, Social Sciences, and general reference.

(b) To advise the library administration on other major policy issues concerning staffing levels, automation, and user regulations. Significant gift collections, special fund-raising efforts, appointments are some of the items on which the committee should be consulted.

(c) To respond to the concerns of faculty, staff and students who use library, the committee will recommend acquisition of books, periodicals, reports, journals, CD ROMs, audio lessons etc. for the library as necessary in respect of both academic and other publications.

(d) The committee will periodically review the functioning of library and make recommendations for improvements, if necessary.

(e) The committee should meet at least once or twice in a semester and more often, if necessary.

(f) The committee shall arrange for display of the information about new acquisition on the notice boards as also through LAN on monthly basis or earlier, if required.

11. Computerisation:

The Library was computerized using software developed in house for operations such as transaction, searching, reporting, etc. The software, presently being used, is developed in visual basic, with access database satisfying all the library functions automatic issue and return of books implemented.

12. Classification of Books:

The books are classified according to DDC22 edition, namely Dewey Decimal Classification System. The basic arrangement is by discipline and a specific subject can occur in any number of disciplines. The universe of subject is divided into ten main classes. Each main class is again divided into ten divisions. Each division gets divided
TEC Library is also currently implementing the DDC22 edition and is under the process of classification.

13. Library Records
Library should maintain the following records:

(a) **Accession Register**: All the documents other than periodicals are entered along with their accession numbers. This register essentially contains the stock.

(b) **Periodical Register**: List of periodicals is maintained.

(c) **Issue Registers**: Students and staff Issue Registers are maintained separately with the user entering the books issued against their names at the time of issue on a daily basis.

(d) **Visitor Register**: Any person entering the library has to enter his/her details along with time of entry and signature on the visitor register kept at the entrance of the library in order to identify the number of users of library for statistics purpose.

(e) **Suggestions and Requisitions Register**: A separate register for suggestions and requisitions are kept in the library for users and visitors to express their ideas for improvement of documents in the library.

(f) **Biometric Attendance**: Before entering the library both the students and staff are supposed to give their thumb impression without fail. The records of attendance will be maintained on regular basis.

14. Stock Verification:
In order to check the status of the stock and identify any losses and damages, a stock verification is done every year in the summer holidays with the use of computers to avoid any mismatch. The report should be submitted to the Secretary through the Principal.

15. GENERAL LIBRARY RULES

(a) Before entering the library, readers are requested to deposit their belongings in the rack that is placed near the entrance of the library.

*The only person who is educated is the one who has learned how to learn and change.*
PART IV
SYSTEMS

You see things; and say, 'Why?' But I dream things that never were; and I say, 'Why not?'
CHAPTER XIX: VARIOUS COMMITTEES

Discipline – cum- Grievance Redressal Committee (DGRC)

➢ The Principal shall constitute a Grievance Committee to readdress the Grievances of the teaching and supporting staff.
➢ The Grievance Committee shall be composed of three persons in the ranks of Head of the Department, or Professor.
➢ The Principal shall announce the Constitution of the committee and the names of members at the beginning of every academic year.
➢ Any teaching or supporting staff having a grievance shall make a representation to the committee.
➢ The coordinator of the Grievance Committee shall include such grievance as an item of the agenda in the next meeting, unless the seriousness of the grievance warrants a meeting to be commissioned immediately.
➢ The grievances shall be redressed immediately by the committee and the Principal shall be informed.

NSS Unit:
The NSS unit of Tirumala Engineering College is aimed at developing student’s personality through community service.
NSS Volunteers generally work with villages and some voluntary organizations to help needy people through different ways like money donations, organizing blood donation camps, Swachh Bharat etc.

Research and Development Committee:

Experienced faculty members are always available at the cell to encourage and guide the faculty and interested students to publish their research work in reputed journals. The cell maintains the publications of the students and faculty for further reference. A variety of material inputs enriched with latest publications, National and International level magazines, e-journals, CD’s consisting of speeches, presentations by renowned IIT professors and eminent scientists are made available in the cell to help germination of fresh thinking and novel concepts. The cell also conducts different programs to make the students aware of the latest research activities of interest which gives an exposure on requirements of the industry in the campus. Students are motivated to their project work in the campus with the help of eminent teachers available in the campus. They are encouraged to do projects on par with the latest research going on. The research and development has succeeded in motivating the faculty and students in publishing their research work in reputed journals. It is expected that the activities and publications

When we seek to discover the best in others, we somehow bring out the best in ourselves.
in the college will increase exponentially in a very short time. The results obtained here will become inputs to many industries which will definitely attract different industries to collaborate and support research activities in our college.

**Anti-ragging Committee**

Anti-ragging teams are to be formed to prevent ragging. Any cases of ragging observed to be referred to the Disciplinary Committee for appropriate action. The management and principal take strict measures to see ragging-free atmosphere in the college campus. To see a ragging-free atmosphere in the college, TEC follows the following measures;

- Creates awareness to the senior students by placing Anti-ragging posters in all visible areas.
- The faculty members are asked to see that there is no ragging atmosphere in the college campus.
- Motivates seniors to have friendly relationship with juniors.
- The college maintains different timings for juniors and seniors to make sure that there is no intimate rapport occurs between them.

Timings for the freshers: 9:50 – 3:40 (It is followed till freshers day party)
Timing for the seniors: 9:00 – 4:30

**Women’s Development Cell**

The cell addresses the problems of women employees and empowerment of women. The Women’s Development Cell of TEC purports to conduct activities for the students, teachers and administrative / supporting staff of the college at 3 level — Apex, College and Departmental levels. Activities at the Institutional Apex, level will aim at the community at large, the focus being on providing community interaction and meaningful humanitarian experience to students and teachers. It will also interacts with governmental I social bodies that address women’s issue such as sexual harassment — verbal or physical in nature.

**CHAPTER XX: ENTREPRENEURSHIP DEVELOPMENT CELL**
Entrepreneurship is the backbone for the growth of any economy. It is no more a topic of interest confined to management & economics students. We are aware of students from premier institutions into entrepreneurs.

**Objectives:** The EDC is set up with the following aims:

- To promote strong entrepreneurship among Engineers, Managers and Science students
- To organize entrepreneurship development and awareness program.
- To undertake research studies to identify high technology areas having entrepreneurship opportunities.
- To develop close links between industry-Institute by interaction programs. High priority to activities designed
- To identify the present day requirements for professionals (engineers/technologists/managers) and meeting the future human resource needs.
- To disseminate technical advances through informal educational techniques
- To act as an institutional mechanism for providing various services including information to budding S&T entrepreneurs
- To create Entrepreneurial culture in the Institution
- To catalyse and promote development of Science & Technology based enterprises and promote employment opportunities.
- To disseminate knowledge and insights in entrepreneurial theory and practice through lectures activities and workshops.
- To create a strong network of successful entrepreneurs who would like to guide budding entrepreneurs

**Composition of EDC**

EDC has Principal as Chairman, Sr.faculty as convener and co-convener, coordinator and members from each department as its members.

**Plan of Action:**

EDC is proposed to have the following action plan:

(a) To organize Entrepreneurship Awareness Camps, Entrepreneurship Development Programmes in the region for the benefit of Science and Technology students.

(b) To conduct research work and survey for identifying entrepreneurial opportunities (Particularly in Science and Technology areas and service sector).

(c) To guide and assist prospective entrepreneurs on various aspects such as preparing project reports, obtaining, project approvals, loans and facilities from agencies of support system, information on technologies, etc.

(d) To arrange visits to industries for prospective entrepreneurs.

*The function of education is to teach one to think intensively and to think critically. Intelligence plus character - that is the goal of true education.*
(e) To conduct competitions among students in developing project proposals.

(f) Guidance is extensively given to students to know the details of how to establish business and its relevant information like gathering of financial resources etc.

(g) As part of EDC cell various awareness programs like guest lectures, seminars and workshops are conducted.

Best Practice in the Institution

Best Practice I: Enhancing student skill set

Objective: To enhance the following skills among the students:

The Context

The college has been working with the aim of making it a centre of excellence. Students from different levels and backgrounds need training to improve their technical as well as employability skills. Considering these requirements, college is providing excellent facilities for the students to improve their skills and to achieve their career goals. The college has been facilitating young adult learners with opportunities to hone their ethics and leadership potential.

The Practice

To realize the student’s aspirations our college has offered Spoken English classes for all the second year students UG students and Aptitude classes for Third year and Final year UG students. Spoken English classes are taken care by the faculty of English. Online placement tests are periodically conducted to enhance Aptitude, Mental Ability and Reasoning of the students to improve their employability. The placement cell of the conducts group discussion and mock interviews to train them well for placements.

Best Practice: II: Research by Faculty members

Objective

The main aim is to create a conducive environment for the conduction of research by establishing the necessary infrastructure, human resources and motivation to nurture the research competencies among the faculty members.

The Context

The college offers 6 UG degree programmes in various engineering departments. It is the responsibility of faculty members to inculcate effective learning methodology in their students to understand various engineering concepts. To accomplish this, they need to be creative and innovative in their approach to teaching/learning activities and should possess holistic ideas.
about the subjects what they teach which requires some level of research competencies in the teaching faculty members.

**The Practice**

The Research and Development inspires the faculty members to publish the research papers, attend National/International conferences and to carry out consultancy work.

**Best Practice III: Entrepreneurship Development Cell:**

**Objective**

The college has established Entrepreneurship Development Cell (EDC). The objectives of the cell are developing entrepreneurial spirit, characteristics and personality among students.

**The Practice**

Developing technical, technological and professional competency needed for employment and productive work. Managerial capabilities to run business or self employment activity successfully creation and dissemination of new knowledge and insight in entrepreneurial theory and practice.

**Best Practice IV: NSS Activities**

**Objective**

To encourage students in serving the nation and society, the nearby villages are adopted and seven day special camps are conducted.

**The Practice**

Awareness regarding cleanliness, importance of education, health care and self help is given.

**Best Practice V:**

Honoring relived faculty by conducting farewell party in the respective departments and facilitate with a shawl and memento.

**Best Practice VI:**

Daily at 8:55 A.M our national song “VANDEMATARAM” will be played and just 5 minutes before the end of the college timings, National Anthem “JANAGANAMANA” will be played.

**Best Practice VII:**

We believe service motto with regard to this we continuously support the poor and merit students for financial assistance.

**Best Practice VIII:**

Birthday wishes for every student will be displayed in their respective class notice board.

You see things; and say, 'Why?' But I dream things that never were; and I say, 'Why not?'
PART VII

PERFORMANCE BASED INCENTIVES

Everyone thinks of changing the world but no one thinks of changing himself.

CHAPTER XXII: PERFORMANCE BASED INCENTIVES
A proper recruitment process, a professional method of inducting new faculty members in the organization and a proper career policy are also incentives for the employees. However it is felt that there is also a need to consider incentives for specific individual performances, which should be done with a systematic regularity, so that the employee feels motivated by the recognition of his/her contribution and maintains good morale. Results of promotion policies are in the distant future.

Incentives are immediate rewards. However, capturing the spirit of incentive scheme requires a fast track mechanism to identify the performance and propose the incentives. The following incentives are applicable to various categories of performance by faculty members.

All the proposals of incentives / awards shall be initiated by the HOD concerned on a claim by the faculty member or slow-motion by the HOD and all these proposals would be placed before the committee headed by the Management and Principal as its members. After receiving the approval from the committee, action would be taken immediately. However, the proposals / recommendations would be placed before the chairman for information and approval wherever indicated herein.

The value of incentive schemes can be realized only when the systems placed in position for implementing such schemes are respected and complied with in a transparent and honest manner. Incentive schemes wrongly implemented will have adverse effect on the morale of the employees and therefore objectivity in evaluation of teachers is a key parameter for success of incentive schemes.

*Happiness is when what you think, what you say, and what you do are in harmony.*
Only the timid and the weak leave things to destiny but the strong the self-confident never bank on destiny or luck.
CHAPTER XXIV: PAY SCALES

Salary & Disbursement

Based on the experience / qualification, salary is fixed as per AICTE norms. Dearness Allowance (DA), House Rent Allowance (HRA) are paid to the staff members who are confirmed in the service. Annual increments are sanctioned to the staff members provided their performance and conduct are satisfactory.

Scales of Pay

Scales of pay, allowances and other financial benefits for various categories of staff shall be decided by the Governing Body, keeping in view the scales suggested by AICTE / University / Government.

Pay, Allowances & Increments:

- AICTE Scales of Pay, as applicable from time to time, shall be adopted to posts classified as teaching staff, but, subject to approval of Executive Body.
- The scales of pay as approved by the Executive body shall be adopted for all posts not falling under the category of teaching staff.
- Dearness and House Rent Allowances as per A.P. State Government rates shall be adopted but subject to approval of Executive body.
- Unless stated in the appointment order, an employee on appointment shall be eligible to draw/pay at the minimum of time scale of pay for the post. However, in case of appointment by promotion from a lower post, his pay in the lower post at the time of promotion shall be protected in the time scale of pay of the higher post.
- All services in a post on time scale of pay shall count for eligibility for increment.
- Leave granted shall be counted as service for the purpose of eligibility for increment. But leave granted on loss of pay, if it is for more than seven days, shall not be counted as service for the purpose of eligibility of increment. If leave on loss of pay is granted for more than seven days, the date of subsequent increment is postponed by as many days as he was on leave on loss of pay.
- The Executive Body shall have the authority to withhold an increment for a certain period not exceeding one year as a disciplinary measure for valid reasons and after the employee has been afforded a fair opportunity to defend him. However, such withholding of an increment will not have cumulative effect. When an increment is withheld for a certain period, this period shall be exclusive of any interval spent on leave on loss of pay, if it is for more than seven days.  

The price of success is hard work, dedication to the job at hand, and the determination that whether we win or lose, we have applied the best of ourselves to the task at hand.
The secretary shall be authority to sanction normal increment in case of those staff on regular scales of pay and whose personal files did not contain adverse remarks since the date of sanction of last increment. In all other cases, the Executive Body shall be the competent authority to sanction normal increments.

**Advance Increments:**

The Executive Body shall be the competent authority to sanction advance increments, in respect of new appointees taking into consideration the pay structure in previous employment and additional qualification or experience. Advance increments to the existing employees may be sanctioned as an incentive in deserving cases.

Teaching staff possessing Ph.D., and M.Phil, degrees are eligible for two and one increment respectively at the time of joining the college, provided these qualifications do not form part of essential qualifications. The in-service teachers also are eligible for the above increments from the date of production of the relevant original certificate. They are eligible for this incentive only once during their service.

**Financial Powers**

**Principal:** Principal is delegated with financial powers up to a maximum of Rs.50,000/-. In this regard, he takes the following actions.

Let us not pray to be sheltered from dangers but to be fearless when facing them.
PART X

ASSESSMENT AND VARIOUS AWARDS FOR STUDENTS

Life is lived on its own; other’s shoulders are used only at the time of funeral.
1. Internal Assessment

Distribution and Weightage of Marks

- The performance of a student in each semester / I year is evaluated subject wise with a maximum of 100 for theory and 75 marks for practical subject. In addition, Industry oriented mini-project, seminar and project work is evaluated for 50, 50 and 200 marks respectively.

- For theory subjects the distribution is 20 marks for Internal Evaluation and 80 marks for the end-examination.

- For theory subjects, during the semester there shall be 4 tests, which include, 2 objective type tests each for duration of 20 minutes and 2 subjective type tests each for duration of 90 minutes. One objective type test and one subjective type test are to be conducted in 1-6 units of each semester. The best 3 tests will be considered for awarding 20 sessional marks.

- For the 1st year class which shall be on yearly basics, there shall be 6 tests which include 3 objective type tests and 3 subjective type tests with the same duration and weight age for each test as mentioned above. However, the performance in the best 4 tests will be considered for awarding 20 sessional marks. The distribution of syllabus for the conduction of objective and subjective type tests in the first year shall be as follows:
  1-3 Units - one Objective type and one subjective type test
  4-6 Units - one Objective type and one subjective type test

- Each objective test question paper contains 20 objective type questions for 20 marks. Each subjective type test question paper contains 5 questions out of which any 3 questions need to be answered. The subjective type question paper should also be for 20 marks. Though the test pattern is different, all the tests (objective and subjective type tests) have equal weightage.

- For practical subjects there is a continuous evaluation during the semester for 25 sessional marks and 50 end examination marks. Of the 25 marks for internal, 15 marks are awarded for day-to-day work and 10 marks to be awarded by conducting an internal laboratory test. The end examination is conducted by the teacher concerned and another member of the staff of the same department.

Success is simple. Do what’s right, the right way, at the right time.
The internal assessment marks in the case of project work are based on the evaluation of the project work at the end of the VII semester by a committee.

The Internal assessment marks awarded to the students in theory as well as practicals are displayed on the notice boards about one week prior to the commencement of the theory/practical examination. Students are required to bring to the notice of the Head of the Department the discrepancies, if any.

**Tests and Examinations**

- Prepares the question papers for each test in the pattern of University question papers. We have a practice of setting the mid examination by the HOD himself in 3 different sets and co-ordinate with examination cell directly.
